**MISSING PARENT'S SIGNATURE FORM**

Based on a review of your Free Application for Federal Student Aid (FAFSA), your New Jersey State Grant application is incomplete because your parent(s) did not sign the FAFSA when it was originally submitted to the federal processor. In order for HESAA to determine your State grant eligibility, the parent(s) who completed the FAFSA must certify the data reported by signing this State form in the space provided below. This certification is only applicable to your State grant application. If you have NOT already done so, a parental signature must be provided to the Federal processor so your eligibility for federal student aid can be determined.
