1.0 PURPOSE AND INTENT

The Higher Education Student Assistance Authority (“HESAA”) administers State and Federal student loan programs, as well as other student financial aid programs, on behalf of the State. HESAA is seeking proposals from qualified law firms to create a list of up to four (4) firms to serve as Special Counsel for Student Loan Collections, to which HESAA can assign defaulted student loans and other educational receivables for collection. Additionally, the firms on the list will represent HESAA in contesting the discharge of a debtor from bankruptcy, in Administrative Wage Garnishment hearings, and in collection-related litigation and appellate work.

1.1 Minimum Requirements

HESAA seeks proposals from law firms with attorneys who have a minimum of three years of experience in student loan collections. Failure to meet this minimum requirement will result in the immediate rejection of the proposal. This procurement is solely open to law firms. Proposals from other entities will be rejected.

Selected law firms must have the capability to encrypt all communications to HESAA that contains confidential information. Additionally, firms must follow the New Jersey Statewide Security Manual (https://www.nj.gov/it/docs/ps/NJ_Statewide_Information_Security_Manual.pdf). The firms must provide HESAA with remote access to HESAA’s files that are maintained on their computer systems.

2.0 SCOPE OF SERVICES

HESAA will assign defaulted student loan accounts to the selected firms for collection. While HESAA cannot guarantee the number of loans that will be placed in the future, for reference purposes, between July 1, 2023 and June 30, 2024, HESAA assigned 676 loans with a principal balance of \$10,759,733.25 plus interest of \$596,556.97, for a total amount of \$11,356,290.22.

2.1 Policy and Procedures Manuals

The selected firms must comply with the attached Higher Education Student Assistance Authority NJCLASS Product Policy and Procedures Manual for Law Firms (“Attorney Manual”), which provides guidelines for the collections of all types of educational receivables administered by HESAA. The Attorney Manual also provides guidelines for the relationship between the Authority and the firm. The Attorney Manual may be updated from time to time. Such updates will be sent to the firms selected pursuant to this Request for Qualifications (RFQ). If your firm is selected, by submitting a proposal, you agree that your firm shall abide by the Attorney Manual as written.

Selected firms must comply with all local, State, and federal laws, rules, and regulations applicable to this engagement and to services performed thereunder. As a contractor to HESAA, firms will be subject to audits and reviews by State and Federal entities including, but not limited to, the Consumer Financial Protection Bureau, the U.S. Department of Education, and HESAA. Firms are expected to have up-to-date knowledge on all laws, regulations, and standards applicable to student loan debt collection, including but not limited to, the Higher Education Act, the Fair Debt Collection Practices Act, the Gramm-Leach-Bliley Act, the Servicemembers Civil Relief Act (SCRA), Regulation F, the Telephone Consumer Protection Act (TCPA), and N.J.S.A. 18A:71C-31.8.

2.2 Collection Work

Selected firms will perform collection activity for matters assigned to the firm pursuant to the Attorney Manual and the retainer agreement. At least one collection activity must be performed every 180 days on each non-paying account. Collection activities include, but are not limited to, locating the borrower, corresponding with the borrower in writing, sending bill statements to the borrower, determining if the borrower has the means to repay the loan, entering good faith settlement negotiations, obtaining a judgment, collecting on the judgment, and providing timely reports to HESAA. Selected firms shall maintain accurate account balances, and payments must be applied accurately and timely. Firms must have systems in place to monitor and charge the correct interest rate for all accounts. Interest must be calculated using the simple interest method and be based on a 365/366-day year.

2.3 Bankruptcy

Selected firms will represent HESAA in matters where borrowers are contesting whether their student loans are dischargeable in bankruptcy. For matters not specifically assigned to a firm as a bankruptcy matter, prior written approval from HESAA is required before representing HESAA on any bankruptcy matters. When a law firm is notified of a debtor's bankruptcy filing, or any action filed through a bankruptcy court, the law firm is to immediately cease collections as required under the bankruptcy code, notify HESAA of the filing, provide HESAA with all relevant documentation and advise HESAA on how the firm recommends HESAA should proceed.

2.4. Administrative Wage Garnishment

As permitted, student loan collection activities include administrative wage garnishments ("AWG"). HESAA may assign matters to selected firms for representation at AWG hearings held at the Office of Administrative Law ("OAL"). HESAA will assign AWG matters to firms based on the firm's performance in collection matters and representation in previous AWG hearings.

2.5 Collection Related Litigation and Appellate Work

Above and beyond obtaining a judgment for the amount of the student loan, HESAA may request that a firm represent HESAA in collection-related litigation and appellate matters. The determination to request representation in collection-related appellate matters will be based on the firm's performance in collection matters referred by HESAA, representation in previous AWG hearings and previous appellate matters, if applicable.

2.6 Out-of-State Attorneys and Third-Party Vendors

Selected firms have primary responsibility for compliance with all terms and conditions of their engagement. In the event it is necessary for a selected firm to utilize out-of-state attorneys or third-party vendors to perform the required services, the selected firm will be responsible for ensuring compliance with all applicable State and Federal statutory and regulatory requirements, as well as the agreement between the selected firm and HESAA. In addition, the selected firm will

be required to maintain a list of matters assigned to out-of-state attorneys and to provide that list to HESAA upon request.

2.7 Attorney Meeting and Training

At its discretion, HESAA may require all selected firms to attend a meeting at the HESAA offices once a year. Meetings may be conducted on a more frequent basis at the discretion of HESAA. Firms must complete the HESAA approved SCRA training and provide certifications of completion annually. Additionally, HESAA may provide and require firms to complete compliance training on a periodic basis.

2.8 Compliance

MONITORING, TESTING and AUDIT – Upon request, the firm shall provide compliance reporting to HESAA, including specific reporting on the efficacy of the firm’s internal controls which impact any of the work done for HESAA. The firm shall participate in periodic telephone calls scheduled at HESAA’s discretion to review contract and regulatory compliance performance. HESAA shall have the right to conduct a compliance audit, including onsite visits, at its discretion.

ENFORCEMENT – The firm will be subject to penalty for regulatory compliance failures and/or internal control failures, up to and including termination of the contract.

REMEDIATION - The firm shall be responsible to report any regulatory compliance failure to HESAA within three business days of discovery. The firm shall be responsible for promptly remediating any compliance failure and shall provide daily progress reports on remediation until the issue is resolved to HESAA’s satisfaction.

CFPB COMPLAINT PORTAL – The firm shall register and participate in the Consumer Financial Protection Bureau (“CFPB”) Complaint Portal system. Any complaints received by the firm related to HESAA or any work the firm is doing for HESAA shall be forwarded to HESAA within two business days of the date received.

- A. All collections should be deposited in gross dollars with payments made subsequently by HESAA to the selected firms.

Of the firms that meet the Evaluation Committee's minimum threshold, the four firms with the highest scores will be recommended to the HESAA Board for conditional placement on the list of attorneys to which HESAA assigns educational receivable files, contingent on a recommended firm passing the site visit (see section 8.0(D)) from HESAA staff, if a site visit has not previously taken place.
- D. HESAA staff will perform at least one physical site visit of each recommended firm that has not previously provided similar services for HESAA. The site visit will allow HESAA to evaluate the firm's ability to comply with the Attorney Manual, observe the firm's security and data systems, and evaluate historical student loan collections recovery and activity data. On the site visit, at a minimum, HESAA staff will review:
- a. Office Organization
 - b. Facilities
 - c. Computer System
 - i. System Security
 - d. Disaster Recovery
 - e. How the law firm plans to handle the initial placement of files.

At the conclusion of the visit, the HESAA staff members that perform the visit will prepare a document that summarizes the visit. The document will be circulated to the evaluation committee with a pass/fail recommendation. A copy of the visit notes will become a part of the law firm's operational file maintained by HESAA.

- E. Firms recommended by the Evaluation Committee and, if applicable, receiving favorable site visit recommendations, will be selected for designation as Special Counsel.

9.0 OUTSIDE COUNSEL DESIGNATIONS

A firm selected pursuant to this RFQ for designation as Special Counsel, with the approval of the HESAA Board, will be the subject of a Special Counsel designation. In selecting a firm to be assigned a particular receivable, HESAA will choose a firm from the list based on the following factors, not necessarily listed in order of significance:

- The background, qualifications, skills, and experience of the firm and its staff with specific reference to educational receivables collections practice;
- The firm's adherence to laws, regulations, and legal duties, including any past or historical violations or issues;
- The quality of the firm's policies, procedures, training and compliance materials;
- The firm's degree of expertise in all facets of providing legal services relating to educational receivables collections;
- The Authority's prior experiences with the firm, if applicable;
- The firm's recovery performance;
- The average time it takes the firm to liquidate debt;

- Geographical location of the firm's offices.

10.0 EVALUATIONS

During the course of the engagement, HESAA will conduct evaluations of each firm's performance. The evaluation will focus on responsiveness, quality of work, adequacy and appropriate utilization of resources, State and Federal compliance, implementation of HESAA directives, reporting, and recovery performance. HESAA will advise each firm of any problem areas. It is the firm's responsibility to correct all problems at the firm's expense. If, as a result of one or more

evaluations with uncorrected problems, HESAA determines that a firm should be removed from the list of designated counsel, the firm may be removed from the list after written notice is provided to the firm. Other than this written notice, nothing in the RFQ creates any rights, entitlements, privileges, or presumptions in favor of a law firm that would constrain HESAA's authority to remove a firm from the list of designated counsel.

Should a firm be removed from the list, or terminated for any reasons, a fee is only payable upon collection and deposit of outstanding monies prior to the removal and/or termination.

No attorney's lien shall attach to a file exceeding the corresponding contingency fee otherwise provided for in this RFQ. No contingency fee will be paid for monies collected or received after the termination of the agreement between HESAA and firm. The firm shall return all referred files to HESAA upon removal or termination within 30 days, at the firm's expense.
