SECTION 3: BORROWER SIGNATURE SECTION

Before signing, carefully read the entire form, including the instructions and other information on the following pages.

I request that the New Jersey Higher Education Student Assistance Authority (HESAA) place my NJCLASS loans indicated below into an in-school deferment relief status.

I understand that if my request is approved, I will be required to make interest-only payments on my NJCLASS loans during the deferment relief period if my original repayment option required principal and interest payments, or interest-only payments while enrolled in school. I am not eligible for an in-school deferment if I selected a loan with a 10-year repayment term. My NJCLASS loans can only be fully deferred for all payments during this deferment relief period if my original repayment option required no payments during my in-school enrollment period.

I understand that if I am approved for this deferment, I may subsequently contact HESAA to request an earlier end date to the deferment.

I understand that I shall continue making my regular payments until HESAA notifies me that my in-school deferment relief request has been approved and provides the estimated amount of my interest-only payments, if required, and the date the deferment relief will end. If my request is denied, HESAA will inform me as to the reason for the denial.

I understand that this request will terminate any HESAA Automatic Clearinghouse (ACH) payment arrangement currently in place.

I understand that if I fail to make payments when required, my loans will reflect a past due status and may be reported to the national credit reporting agencies and/or I may not be approved for an extension of the in-school deferment relief should I need it.

I understand that NJCLASS loans have fixed repayment terms and that my deferment relief request may be denied if my loans are nearing maturity, and I will be required to continue making principal and interest payments in order to repay my outstanding loan balance by the maturity date.

I understand that this deferment relief request will not be granted unless I complete all applicable sections of this form and provide all additional requested documentation.

If there are co-borrowers and/or cosigners on my NJCLASS loans, I have informed them of my submission of this relief request.

I understand that if I provide HESAA with my cell phone number, the number for any other wireless device or any service for which the called party is charged for the call at any time I am providing HESAA and their agents and contractors with express written consent to contact me on that number, both directly and with automatic dialing systems, by human operators and/or artificial or prerecorded voice or text messages with regards to the status of my application, award, or account for any HESAA grant, scholarship, college savings, loan or any other program administered by HESAA. I understand that my consent is not a condition of purchase of any good or service, or a condition of eligibility for, or

receipt of, funding under any of above mention HESAA programs.

_____ Place only the following NJCLASS loans into in-school deferment relief (List each loan number separately).

HESAA means the New Jersey Higher Education Student Assistance Authority. HESAA is the holder of the NJCLASS Loan Program loans.

NJCLASS Loan Program means the New Jersey College Loans To Assist State Students loan program, a state supplemental loan program authorized under N.J.S.A. 18A:71C-21et seq.

In-school Enrollment means that the student is currently attending an eligible post-secondary institution of higher education and is enrolled on at least a half-time basis as certified by the institution.

Student shall provide documentation of enrollment at the institution by providing a copy of a tuition bill, class schedule, enrollment verification, or official notification from the school of acceptance into program for specified academic term.

The initial in-school deferment relief may be granted for up to three months pending official confirmation from the institution as to student’s enrollment status and anticipation graduation date. Upon receipt of enrollment data from the institution, the in-school deferment relief period may be extended through the student’s anticipated graduation date. The borrower will be notified when any enrollment information from the institution changes the in-school deferment relief period.

The deferment relief period may be limited if the borrower’s associated NJCLASS loans are nearing their maturity dates and monthly principal and interest payments are required to repay the loan balance by the maturity dates.
